

Jandakot Airport Holdings Environment Policy

Jandakot Airport Holdings Pty Ltd (JAH) manages and operates Jandakot Airport, Western Australia's premier general aviation aerodrome. Jandakot Airport covers an area of 622ha, including aviation operations, commercial and bushland precincts.

JAH recognises its responsibility to manage and protect the environment at the airport. To achieve this, JAH commits to establishing and maintaining an environmental management system that strives to:

- Develop and manage Jandakot Airport in an environmentally responsible manner
- Comply with environmental legislation
- Work with relevant authorities to identify objectives and targets that aim to minimise adverse environmental impacts, including the prevention of pollution
- Pursue opportunities for efficient use of resources
- Manage, measure, and report on our environmental performance.

JAH is committed to the continual improvement of the environmental management system. All employees, contractors, tenants, and operators have a duty to meet their environmental responsibilities under the EMS.
