2.1. The previous minutes were accepted as a true and accurate record of the meeting and the final version is to be published on the Jandakot Airport website.	Secretary
3. Airservices Update	
3.1. Flight Path Consultation	
<ul style="list-style-type: none"> • Airservices is committed to consulting with communities potentially affected by proposed flight path design changes in an open and transparent manner • Airservices will communicate early with potentially affected communities and relevant stakeholders, to ensure there is easy and timely access to clear, accurate and transparent information • Airservices will seek community and stakeholder feedback on any proposed changes and will consider the feedback and provide a summary to the community, on what they heard. • Due to the six week feedback period updates may not be able to be provided to the CACG in advance • In the event that this occurs Airservices will provide the information to the CACG Chair and Secretariat for distribution to the CACG members <ul style="list-style-type: none"> ○ This will include fact sheet/s and website links ○ Airservices remains committed to the communication of all flight path changes to the CACG ○ Airservices will provide a full update at the next scheduled meeting 	
3.2. ATC Update	
<ul style="list-style-type: none"> • During the quarter Australian and International military helicopters conducted exercises over the Perth basin and south west WA • Exercises included low flying over civilian locations 	

- Fire mitigation burns have been occurring and will continue this quarter – visibility has been affected around Perth and in the training area, which has decreased flying training on affected days
- Bush fires are very likely this quarter with aerial firefighting operations expected – this will increase operations to and from Jandakot, and low level flying will occur in the fire vicinity
- Inclement weather affected pilot training in the last quarter but is not expected to have an impact this quarter
- China Southern Western Australian Flying College is likely to recommence flight training in December
- Three other flight training companies have been increasing their operations in the past month:
 - STEA
 - Major Blue
 - Airflite

4. Jandakot Airport Update

4.1. MASTER PLAN

- The Jandakot Airport Master Plan 2014 was approved by the Minister for Infrastructure and Regional Development on 17 February 2015.
- The ANEF has been sent to Airservices Australia for a review of technical accuracy.
- Exposure draft copy to the Master Plan will be sent to DIRD in December. We expect to advertise for public comment in March 2019.

4.2. INFRASTRUCTURE

- JAH is working with the State and Local governments towards a dual lane upgrade to Karel Ave from Farrington Road to the Airport.

4.3. AVIATION

- Construction has commenced on the extension of runway 12/30 and associated taxiways.
- Construction of the DFES apron will be complete this week.
- Construction of the RFDS apron for the new Pilatus jets will be complete this week.

4.4. COMMERCIAL

- Site 1 - Proposal being considered for an office / laboratory building.
- Site 10D - Work has commenced on a 10,000m² distribution warehouse.
- Site 13 - Work has commenced on a 4,000m² workshop addition.
- Site 204 - Work has commenced on a 2,000m² workshop and large hardstand.
- Site 216 - Proposal being considered for a 20,000m² workshop.
- Site 308 - Proposal being considered for a 600m² office with 7,000m² warehouse.
- Site 512 - Proposal being considered for a 1,200m² office and 18,000m² warehouse.
- Site 517 - Proposal for a 1,300m² office with 10,000m² workshop is being considered for construction next year.
- Site 516 – A depot facility is proposed for this site consisting of a 4,000m² office, testing labs of 2,500m², a warehouse of 8,000m² and a workshop of 7,000m².
- The Minister has approved the Major Development Plan for this project.
